- d) **No alcohol is to be consumed by Athletes prior to or during the day's event.** The days event is deemed as starting 1 hour prior to the first rider starting their run and finished when the final scores for have been posted and the official protest time has elapsed. Once an athlete's heat and results are posted it is deemed that the athlete's day is finished.
- e) **Unsportsmanlike Conduct:** Any rider (or his representative) or official whose conduct is deemed unsportsmanlike or whose conduct may cause discredit to the IWWF, IWWF World Wakeboard Council and sponsors, either on or off the competition site, before during, or after the competition, may be disqualified from all or part of the competition including completed events and/or be subject to a fine to be determined by the IWWF Executive Board, by a two-thirds majority vote of the Judges. Any and all infractions can also be punishable by disqualification of the whole team.

Each rider, prior to participating, will sign a code of conduct as a condition of entry.

Rule 2 COMPETITION SITE DURING WAKEBOARD WORLD CHAMPIONSHIPS

- a) There will not be any official familiarisation during the Wakeboard World Championships at the event site, however if the organisers choose to hold an unofficial practice all riders must be given equal time on the water.

The organizers of the event will hand the site over to the Chief Judge one full day prior to the first day of the event for inspection.

- b) Use of the site is under the authority of the Chief Judge until the completion of the competition.

Rule 3 SAFETY DURING WAKEBOARD WORLD CHAMPIONSHIPS

- a) **Safety Director:** At least two months before the Wakeboard World Championships, the host Federation shall appoint a Safety Director, who will appoint such assistants as appear necessary and inform the World Wakeboard Council Chairman and Chief Judge. The Safety Director shall be responsible for the safe conditions of all equipment, facilities and operation of the event; but this shall not prevent him from delegating specific responsibilities to his assistants as approved by the Chief Judge. He shall have the authority to take whatever action is necessary, including stopping the event, whenever he observes a condition he believes unsafe. The Chief Judge may overrule any contemplated action or decision of the Safety Director on his own responsibility.
- b) **Unsafe Rider Disqualification:** No rider shall be allowed to compete or to continue to compete if, in the opinion of the Safety Director and a majority of the Boat Judges, his competing would be a danger to himself or other riders in the competition. During the competition, the Safety Director may, at any time, request the Chief Judge to halt the event for a poll of the Boat Judges in regard to a rider's actions or conditions. Whenever practical, the advice of a doctor should be obtained.
- c) **Safety Boats:** Two safety boats shall be used during the event. The suggested positioning of the safety boats is operating outside the wakeboard course buoys facing a rider during his pass. The final positions of the safety boats on course will be determined by the chief judge.
- d) **Safety Boat Personnel:** Each safety boat will be manned by:
 - i. An experienced driver who is familiar with the conduct of all practice and competitive events.
 - ii. A swimmer, who is fully trained in First Aid, Emergency Resuscitation and Water Rescue Techniques. The swimmer will wear a life jacket at all times and, in the event of a serious fall, will jump into the water to assist the rider. If the injured rider is unable to climb into the safety boat with little or no assistance, the rider will be floated to shore and lifted from the water on a suitable board or stretcher. Under no circumstances will an injured rider be lifted passively over the side of the safety boat. It is emphasized that, in international competition, language difficulties may interfere with communication; and, for this reason, the swimmer **MUST GET IN THE WATER** to assist the injured rider.

- e) On Site Medical Facilities: The Safety Director will appoint a Competition Medical Officer who will undertake to provide the following services:

Rule 5 HEAT SYSTEM

Wakeboard competitions will use a heat system. The running order for the first round of competition will be randomly selected by either computer or drawn from a ballot in order to compete in individual heats. The number of riders in each is dependant on the total number of riders entered.

No heat shall exceed 6 riders, where possible heats of 4 or 5 are preferred.

An equal amount of riders from each heat will then advance to the semi-finals and finals. The LCQ, Semi-finals and Finals will be selected from placement **not** scores.

Advancing riders will be seeded from placement and then heats will be selected using the following method.

2 Heats 2-1-1-2 or for 3 heats 3-2-1-1-2-3 and so forth. This allows for the heats to be mixed throughout the event

Open Division: The top 8 men & top 4 women listed on 2010 IWWF Wakeboard World Cup Overall Standings List will be seeded in the first round of competition in the Men's & Women's Open events. The running order for all other riders in the first round of competition will be randomly selected by either computer or drawn from a ballot in order to compete in individual heats.

The number of riders in each heat is dependent on the total number of riders entered. There will be a maximum of 6 riders in each heat. A percentage of the riders from each

heat will then advance to the semi-finals and finals. The running order for the LCQ, Semi Finals and Finals will be selected from placement and NOT scores.

All Finals will comprise of 6 riders, in the event of a withdrawal, injury or disqualification the rider will not be replaced or substituted. The final heat will proceed with fewer riders.

The Last Chance Qualification round may or may not be used within the competition, dependent on time and numbers.

See Annex 2 for the Official Heat System

Rule 6 RIDER PREPAREDNESS

A rider must be in his bindings, with his life vest and assigned bib on, and with a rope that will not interfere with him being ready to ride when the boat returns to the dock/start area. Any rider who fails to be on immediate hand & in condition to ride when it is his turn in the running order as stated above will be deemed to be wasting time to gain an unfair advantage and **will be disqualified**.

Rule 7 DISQUALIFICATION

A late entry fee of **USD10.00 per day per rider** shall be levied on each entry not received 10 days before the first official day of competition. Late entries will only be accepted with the mutual consent of the Organiser and Chief Judge.

- c) In the event of a tie, final team placement will be determined by the 7th team score. If a tie still exists, then a 8th. team score will be used to decide final placement.
- d) If a team rider is disqualified for unsportsmanlike conduct (with the exception of the rider being disqualified for being late to the dock or not wearing a bib) no team overall points shall be awarded for this rider. No substitutions allowed.
- e) *In the event that the category does not reach a minimum of 6 riders then the category shall open but points will not be used towards team scores*

Rule 12 BIBS

Riders are required to wear an official bib during media riding, actual competition, and interviews. If a rider is not wearing a bib that is assigned to him while competing, he will be disqualified from the tournament. No modifications of bibs or addition or deletion of lettering or logos on bibs are permitted.

Rule 13 - EQUIPMENT

- a) General: All personal equipment is subject to the approval of the Chief Judge and Safety Director
- b) Life Vest: All competitors must wear a life vest. It is the responsibility of each rider to ensure their life vest meets the following specifications:
 - i. It must float the rider.
 - ii. It must be constructed so as to provide adequate protection from impact damage to the ribs and internal organs.
- c) Towlines: Riders just provide their own handles and ropes which must be of a non-stretch material.
- d) Helmets: Riders must wear a suitable helmet if they choose to hit any of the obstacles in the wakeboard course. If a rider hits an obstacle without a helmet, he will be disqualified from the competition. If a rider wishes to hit any obstacles, he must start his routine with a helmet on. No helmets with receiving or transmitting devices may be used during competition. Any rider who chooses to remove their helmet must dispose his helmet in a safe and timely manner.
- e) Boats: The total additional weight in the boat will be determined by the Chief Judge and a representative from the World Wakeboard Council. If a representative from the WWC Council is not present, then the decision will be at the discretion of the Chief Judge.
- f) Damaged Equipment: A rider is fully responsible for his personal equipment and should have a spare board, fully assembled with bindings and fins, at his disposal should any damage occur. In the event that a rider realises his equipment has been damaged, he may throw the handle to indicate that he wishes to repair his equipment. This will, however, constitute one fall if it occurs in the wakeboard course. If a rider falls in the wakeboard course due to his equipment being damaged, it will also constitute one fall. If a rider needs to stop his/her ride in the wakeboard course or before the start of his/her second pass to repair his/her equipment, it will also constitute one in-course fall. The Chief Judge will have the final say as to whether the equipment has failed. If a rider has damaged his equipment, he will have **four minutes** to repair the equipment. The damaged equipment must be repaired at the starting dock. The time begins when the rider gets onto the starting dock. The rider must have both feet back in his bindings before the four minutes elapses or his routine is over. The boat will then tow the rider from the starting dock to the location of the fall or handle-throw, come to a complete stop and then resume the routine.

Rule 14 RE-RIDES

It is the sole responsibility of a rider to request for a re-ride.

When unfair conditions occurs, which, in the opinion of a majority of the Judges, adversely affects a rider, he shall be granted the option of a re-ride only on the passes affected. Re-rides will not be granted if a rider's personal equipment fails.

Re-rides must be taken immediately. If a rider is given a second re-ride, he may elect to take a five-minute rest, during which the next rider in order will perform his routine. The re-ride shall be taken at the conclusion of the rider's routine during which the five-minute rest period expires.

Requests for re-rides may be initiated by a Boat Judge for the event before the next rider starts or may be initiated, as soon as possible, by the rider or his team representative and shall be decided as soon as practicable thereafter. If, in the opinion of the Boat Judges for the event, the request was not initiated as soon as possible after the rider has ridden, the request shall be denied.

Re-ride requests will not be permitted if they are based on variations in weather or water conditions.

Rule 15 PROTESTS

Protests shall be made to the Chief Judge only by a rider or team representative. Protest must be made **in writing**, must state the reason(s) for the protest and quote the relevant rule number(s), and must be filed as soon as possible, but no later than **20** minutes after the occurrence or after the results of the event are announced.

The rider or team representative will come to the Chief Judge's station and get an Official Protest Form to make the protest. The rider or team representative will then bring the Official Protest form back to the Chief Judge for review. After the Chief Judge has reviewed the protest and score sheets, he will meet with the Boat Judges to discuss the protest if he deems necessary. The Boat Judges will meet with rider to discuss the protest if the Chief Judge deems necessary. Actions may then be taken by the Chief Judge to address the protest.

Protests must be accompanied by the approximate equivalent in local currency of US Dollars 100.00 - This amount will be refunded if the protest is considered reasonable or upheld by the Judges.

If a rider wishes to make a protest while on the water, the protest needs to come by radio to Chief Judge's station. The Chief Judge will be on hand to hear the protest. The Chief Judge will record the protest on the Official Protest form until the rider is able to sign and complete the form. Chief Judge will take the proper steps to solve the protest.

All judges must be at the Chief Judge's station immediately following the last event each day and will remain 20 minutes after the release of the official results to answer questions.

Protests will be handled by the Chief Judge and the 3 judges involved in the respective event. In the case of other protests, ie. heat protests, timing, etc, such protests shall be handled by the majority of judges.

A correction of an error in the computation of scores shall not be considered a protest and the correction shall be made on the approval of the Chief Judge and Calculator within 20 minutes after the results are announced, and Boat Judges' scoring sheets have been made available for inspection. The inspection of scoring sheets will be done only in the presence of the Judges scoring that particular event.

Rule 16 USE OF VIDEO

Due to the subjective scoring nature & spirit of wakeboarding, video footage of any kind will not be used by Judges, riders or team representatives to resolve any disputes. Judges will not view or comment on any video footage during the event.

Rule 17 COMPETITION FORMAT

- a) General: Each rider shall be allowed two passes through the wakeboard course during which time he may perform any routine he chooses. He will be judged on subjective style categories, to arrive at a single combined score.

Judging of the routine begins when the rider enters the wakeboard course and ends when the rider exits the wakeboard course, falls for a second time, or completes his double-up (finals only).

Riders are encouraged to perform a smooth flowing routine with a wide variety of tricks. Each manoeuvre should be different and executed as cleanly as possible and taken to its limit.

Boat (Scoring) Judges: The Chief Judge will designate three Boat Judges, to be seated in the tow boat, to score each rider's routine.

- b) Scoring: Judges will award a maximum of 100 points to each rider based on their overall impressions of the routine performed. Each individual heat per division will be judged independently from the other heats on the day. The judges will score the first rider of the heat subjectively and each subsequent rider's performance after that rider is judged higher or lower dependant upon their ride. Judges are required to both score and placement a rider in within each heat.

The judges will score each rider in each of the following categories:-

Execution - 33.3 Points

This reflects the level of perfection to which each manoeuvre was performed, as well as the successful completion of the routine with a minimum number of falls.

Intensity - 33.4 Points

This reflects how big the moves were performed, as well as the technical difficulty of the tricks executed.

Composition - 33.3 Points

This reflects the overall composition of the routine in terms of the rider's ability to perform a variety of manoeuvres in a flowing, creative sequence

- c) Calculation of Scores: The Average method of calculating will be used. Scores from all categories of a rider's routine are added together to produce a judge's total score. All three judges' total scores are then averaged to produce a final score for a rider.
- d) Calculation scores will be cross-referenced to the judges' placement of the rider. The judges' placement of the rider will always override the judges total score of the rider.
- e) In addition to the chief calculator and chief judge signing off on results sheets, the three boat judges must also sign off on the results sheets.

Rule 18 WAKEBOARD COURSE

- a) Course Buoys: Buoys to be used for the wakeboard course must be of the following specifications:-
1. Only inflatable buoys may be used, and they should be made of a lightweight, pliable material with smooth exposed surface.
 2. Color of buoys shall be selected for maximum visibility. A fluorescent orange paint must be used for the start buoy and fluorescent green paint is recommended for the cut-off buoy
 3. Start buoys shall not stand be more than 1 metre high above the waterline.
 4. Each buoy shall have a strong loop for attaching anchor lines. The buoys must be attached to the anchor line by the use of a system that will tighten the buoy in such a way as to ensure that it does not move around from its position.
- b) Course Dimensions: A start buoy shall establish the approximate area of the beginning of the wakeboard course from each direction. The end of the pass shall be signified by an end buoy. The distance from the start and end buoys will be a minimum of 370 metres. These course dimensions will be used where practical. Bright orange buoys are recommended for the start and end buoys
- c) Cut-Off buoy: A cut off buoy will indicate the point after which the tow boat will not be able to get up to speed for a rider to continue his run in the second pass. Bright green buoys will be used for the cut-off buoy. The position of the cut off buoy will be determined by the Chief Judge and Chief Boat Driver. The cut-off buoy will not be used in finals where there is a double-up.
- d) Proceeding through the two wakeboard passes: The boat shall follow as closely as possible the path specified by the Chief Judge for the event, such path to include the preparation time before each pass. The second pass shall be in the opposite direction from the first pass.
- e) A rider's routine will begin when he performs his first trick at, or after the start buoy.
- f) A rider's routine will end: when he falls for a second time or when he passes the end buoy. A rider's last trick will be scored if he leaves the crest of the wake before passing the end buoy.
- g) Any rider who swims down the course to gain advantage over a fellow competitor will not be picked up. This will be the end of his routine.

Rule 19 DOUBLE-UP

Each rider who qualifies for the finals may be given a double-up. It is the sole responsibility of each competitor to communicate to the driver before leaving the dock whether he would like a left or right double-up (see Diagram 2), and where the double-up will occur in the course. Re-rides will not be granted due to any miscommunication between the rider and driver. In the event that the boat provides a double-up in an incorrect direction, the rider must wave off the double-up and not attempt any manoeuvre. If any manoeuvre is attempted, which includes cutting at the wake, the rider will be deemed to have accepted his double-up. If a rider waves off the double-up, the boat will then turn around, and proceed with a double-up in the correct direction. Re-rides will not be granted for turbulent water in this instance. If a rider's first fall occurs beyond the cut-off buoy, the boat will then immediately proceed with a double-up for the rider.

Rule 20 OBSTACLES

Organisers are encouraged to use obstacles that are symmetrical in design and where practical and possible, subject to site conditions and logistics.

The obstacles may comprise of the following:

1. Flat Bar
2. A-Frame
3. Symmetrical Kicker

Obstacles must be manufactured with the following prerequisites:-

1. structural integrity
2. safety
3. adequate floatation and stability

The Chief Judge will make a final decision on whether the obstacles meet the above criteria.

The Chief Judge will make the decision where to place these obstacles in the wakeboard course. Riders are encouraged to hit these obstacles to add variation to their routines.

The obstacles may also signify the beginning of each routine depending on where they are placed.

Rule 21 BOAT SPEED & ROPE LENGTH

Each rider shall receive his choice of a constant speed through the course for each pass, and preferred rope length. The boat speed, assuming it is held constant before entering the course, is the rider's responsibility.

RULE 22 FALLS

a) Out-Of-Course Falls: A rider may have one out-of-course fall only before the start of his first pass.

b) Handle-Throw: The rider may also have one handle-throw before the start of his first pass which will also count as one out-of-course fall.

If a rider throws the handle prior to the start of his first pass to indicate that his rope was incorrectly put on the wrong loop by the officials or Judges in the boat, it will not count as an out-of-course fall.

c) An out-of-course fall or handle throw before the start of the second pass will count as one in-course fall.

d) Two Falls: A rider may have a maximum of two falls during a routine. Should a fall occur, the boat will pick up the rider to proceed with the routine. The rider will not be picked up after a second fall, or after a fall that occurs beyond the cut-off buoy in the second pass.

e) Obstacles: each rider will receive one obstacle and one wake fall only.

- Example one: A rider falls on the slider, and then falls on his first manoeuvre off the wake, the rider will be picked up. But his pass will end if he falls on either an obstacle or water trick.
- Example two: A rider falls off the rainbow slider, and then falls off the kicker but has no previous water falls. His pass ends

f) The rider must be ready to ride immediately upon the boat's return after the first fall, an out-of-course fall, or handle-throw.

RULE 23 SCHEDULE CHANGES & CANCELLATION OF EVENTS

Changes in the schedule during the competition shall be made only for weather, water conditions, safety, or a similar reason. All riders must be on-site one hour before their scheduled event time. Such changes will be announced at a riders' or team captains' meeting, and by posting on the official notice board“

The finals of each category must be completed to determine a winner, even if the Judges are obliged to continue it at a different site. If a final cannot be completed, all riders from the event will compete again where and when possible, until a winner is determined.
